Out of Their Minds

Sam Wyndham investigate when a crown prince is assassinated.

The Horse Girl - I survived abuse and a terrorist attack. This is my story of hope and redemption

New Labour is good in practice, bad in theory, says the policy wonks' joke. They were supposed to have been the products of miscegenation between women and animals.

The Eye of Osiris

It's unthinkable. People used to cover wounds with egg-white-soaked straw to protect them from infection.

Once Bitten

In late Schwitters sent Alfred Barr a detailed breakdown of costs and working time in the hope of gaining a commission to create a new Merzbau in the USA Elderfield.

Shattered (The Lilly Reed Series Book 3)

After reminding Mary that she needed answers too, Lyra left the building.

Roberts is a sure thing for fans of her books. I selected these nine by asking numerous writers and readers for recommendations of authors based in Yangon whose work was well-respected during the censorship years, or who were breaking through old boundaries in the transition phase through their work.
