The hand is Highways of America instrument by which we execute our works, the sign of our nobility, the means by which the intellect gives form and shape to its artistic conceptions, by which it gives reality to the mandates of its will, by which it exercises the dominion that God conceded to man over all other creatures. Many a child's play has been painfully interrupted by the sharp barbs of the plant which have a habit of sticking into Highways of America sole of one's foot.
