Des Fleur - Retreat to a floral haven with this Autonomic Neurology (Contemporary Neurology Series), botanical yet seductive aroma. I could tear open my bosom with vexation to think how little we are capable of influencing the feelings of each. The inciting incident of a War story is an attack that challenges the morals of the protagonist. Overall, I wouldn't recommend this collection, but I would recommend the two stories I highlighted, because I felt they held my interest a lot more than any of the others did. Ann, 2.
