In the s, humanistic psychology changed the relationship between psychology and religion by actively asserting the value of

individual experience and self-expression. This book is not yet featured on Listopia.

This one seems to trip up everyone occasionally, often as a pure typo. Just as I was being exalted to the right hand of God, and having received from the Father the promise of the Holy Spirit, He poured out this which you now see and hear... For the promise is to you and to your children, and to all who are afar off, as many as the Lord our God will .
