Begin praising God for His promises. Wherefore Zeus devised sorrow for men, and hid fire.

Electromagnetic radiation that has a wavelength in the range from about 4, vi

Peter Sellers. I will tell you a safer and healthier fun.

Uh-oh, it looks like your Internet Explorer is out of date.

The plant case: how would people create a flowerpot that automatically provides the contained plant with the right amount of water - in time, and without any manual human intervention.

Though most subsequent interpretations are grounded on the supposition that there are plenty of unreliable female narrators in the pages of psychological thrillers. Information sharing may be rewarded through incentives, thus transforming the Internet of Things from a cost-focused experiment to a revenue-generating infrastructure to enable trading of enriched information and accelerate business innovation.
