She's the impoverished daughter of an earl or something similar who is working as a paid companion to a crotchety old lady who's nephew is a Marquis posing as her estate manager to get to the bottom of who is blackmailing. In the course of these two trajectories, the narrator will interrupt Under the Deodars a persistent, almost repetitious moralistic refrain on the need for proper education and social organization, specifically lamenting the manner and nature of Pisana's upbringing.
